*The above medical expenses cover is valid (subject to conditions and exclusions stated in the General Policy Conditions for Travel Insurance and Assistance Services) in case of emergency medical treatment of sudden illness or injury.

The insurance covers medical expenses incurred due to an epidemic/pandemic disease as specified in General Terms and Conditions for Travel Insurance and Assistance Services. If the Insured visits during the insured trip a country/locality which, by the day of beginning of the insured trip, has been declared to be a country/locality where an epidemic occurred or a pandemic has been declared, and to which, based on the declaration of a competent authority, travelling has been advised to be considered carefully (or it is advised not to be visited), the Insurer is entitled to refuse the payment of benefits for events due to an illness which occurred and spread at the time of onset of the insured event as an epidemic or pandemic. Other limitations or exclusions may also apply.
